MARCH AGAINST THORP

STOP NUCLEAR POISONING FROM SELLAFIELD

Saturday 12th February,
Assemble: 3.00pm, Garden of Remembrance, Parnell Square

Speakers: JOHN BOWLER (Greenpeace); PATRICIAL McKENNA (Councillor, Green Party); CONOR KOSTICK (Socialist Workers Movement)

STOP THORP MARCH

The new THORP Reprocessing Plant at Sellafield means:

- An estimated 200% rise in skin cancers around the area;
- The production of 59 tons of Plutonium—one grain can kill—which will remain active for centuries;
- £9.6 billion for the British Government.

PEOPLE BEFORE PROFITS!

Join the march on Saturday 12th February at 3.00pm from the Garden of Remembrance, Parnell Sq.
